# SHARE YOUR HOME WITH A YFU STUDENT FROM **CHINA**

YOU TOO CAN LEARN ABOUT THE PEOPLE AND CULTURES OF CHINA.  
**HOST A CHINESE YFU STUDENT!**

**Make the world your home!** When you welcome a YFU international exchange student, your family will develop a new perspective, make memories and gain a new family member for life. More than 260,000 students and their families around the world have embarked on this transformative cultural journey.

Together YFU students and their host families become citizens of one world as they deepen their appreciation for other cultures and customs, in turn increasing tolerance, reducing violence and helping to eliminate stereotypes.

Your ordinary life – grocery shopping, cooking dinner, going to a high school football game, volunteering at the local food bank – is extraordinary to an exchange student.

**By hosting each others children, we come to understand that our similarities are greater than our differences.**

### What have YFU Host Families learned about China?

- Chinese New Year is a week-long celebration called Spring Festival.
- We thought all rice was the same and that we didn't need a special device to cook it.
- Authentic Chinese food is very different than American Chinese food.
- Different pronunciations of words are based on cultural influences.
- Chinese products cost more in China than they do in the US.

*"It is hard to imagine someone who has seen the best and worst of two great countries wanting to harm either. I believe hosting Chinese students will have a greater impact on our future than hosting kids from any other country."*
